PROFESSIONAL SUMMARY

Diploma-qualified Electrical Engineer with hands-on experience in site execution, electrical maintenance, and manpower coordination. Skilled in transformer handling, equipment maintenance, troubleshooting, and technical documentation. Familiar with electrical safety standards and eager to contribute to solar PV installation, testing, and commissioning projects. Strong problem-solving ability, adaptability, and commitment to quality and compliance in field operations.

WORK EXPERIENCE

Site Engineer: Vedanta Limited Goa (09/2023-02/2024)

Roles/Responsibilities

- Handled manpower management and coordinated daily task assignments.
- Managed documentation, material estimation, costing, and billing processes.
- Provided technical guidance to workers and ensured adherence to safety standards.
- Monitored installation and maintenance of electrical infrastructure as per project specifications.
- Collaborated with project teams to ensure timely execution of site work.

Apprenticeship: Electrician Maintenance Department
Ghatage Patil Industries (2021-2022)

Roles/Responsibilities-

- Performed maintenance and troubleshooting of HMC machines and electrical systems.
- Diagnosed and resolved electrical faults, ensuring minimal downtime.
- Conducted inspections and routine servicing of equipment.
- Applied electrical engineering principles in practical maintenance tasks.
- Demonstrated strong analytical, problem-solving, and independent working skills.
- Gained hands-on experience in industrial electrical repair and safety practices.

ACADEMICS

- **Bachelors of technology in Electrical engineering (2024-Persuing)**
-Dr. Bapuji Salunkhe Institute of Engineering & Technology
- **Vayumitra Skill development programme (2024)**
- Mitcon Consultancy & Engineering Pune
- **Diploma (MSBTE) :- Electrical Engineering -72%**
-Dr. Bapuji Salunkhe Institute of Engineering & Technology Percentage
- **ITI : - Electrician (2018-2020)- 73.5%**
-Industrial Training Institute, Koparde, Kolhapur
- **Higher Secondary Certificate (Technical Science)- 55.83 %**
-Shree Ram College, Kudtre
- **Secondary school Certificate (2017) -65.20%**
- New High School Kolhapur.

TECHNICALSKILLS

- Electrical Maintenance & Troubleshooting
- Transformer Handling & Installation
- Basic AutoCAD
- Electrical Testing & Tools
- Site Supervision & Documentation
- MS Office & Reporting
- Understanding of PV Systems (basic)
- Computer Literacy (MS-CIT Certified)

ACHIEVEMENTS&EXTRA-CURRICULARACTIVITIES

- Attended 1-week faculty development programme on “Foundation and Design aspects of PV solar system”
- Vayumitra Skill development programme (2024)
- Certificate in MS-CIT awarded on January-2020 with an aggregate of 77%.
- College Cricket Team Competition #1st Rank.
- Badminton Competition #1st Rank
